**FAST BUCK OPERATORS DUE FOR LINCHING!**

"In view of the situation that has been created in the automobile business," stated Walter G. Linch, Dodge-Plymouth dealer in Redondo Beach, "I feel it's about time something was done."

The following is a letter sent in by Linch to more than 6,000 of his customers.

Dear Neighbor:

Isn't it about time that you and I had a heart to heart talk about the automobile situation? You cannot imagine how badly Mrs. Linch and I feel, after devoting 33 years to the sale and service of Dodge and Plymouth cars and trucks, to see a dignified business turn into a carnival of wild misstatements, sham, and tricky, high-pressure selling. As an intelligent individual you are probably as disgusted with this situation as we are.

When you buy your car from us, you are dealing with a friendly neighbor. If there are adjustments to be made, we

are here to take care of them with a SMILE. We have been doing business in Redondo for 33 years, and intend to remain long after these "fast-buck" operators are gone and forgotten.

We sincerely believe that in Dodge and Plymouth, we have the finest cars on the road, and we can give you any color or style you desire. And most important, we can MEET and BEAT any legitimate deal offered you, without "gimmicks." We don't spend thousands of dollars on Radio and Television to entice you in, so we can pass these dollars on to you.

Don't be fooled . . . you only get what you pay for. There are no Santa Clauses in the automobile business, but by dealing at home, you can be

ULTRA MODERN OFFICE . . . The new office of Joe Bellante, realtor, which has opened in Torrance.

**New Bellante Office Open**

Joe Bellante, well known Torrance real estate broker, opened his new office at 3810 Pacific Coast Highway on Saturday, August 20.

Bellante came here two years ago from Inglewood, where he had been in business for nine years. He was a member of the realtor's board there.

His office has been located at 3864 Pacific Coast Highway. He is a member of the Torrance-Lomita Realty Board.

Formerly associated with the sale of Victoria Terrace Tract, he and his associates intend to specialize in the sale of residential property from their new office.

**Storm Drain Bid Awarded To Rados**

Low bid of \$683,156 to construct the Cabrillo avenue storm drain and a short portion of the 212th street drain in Torrance was submitted by Steve P. Rados, of Monrovia, Supervisor Burton W. Chace said today.

Bids were received at the office of H. E. Hedger, chief engineer of the Los Angeles County Flood Control District. Award of contract is scheduled by the Board at the regular meeting next Tuesday and the contractor will be allowed 330 days in which to complete construction, Chace said.

The project will be financed by funds from the \$179,000,000 storm drain bond issue approved by county voters in November, 1952. Designed by Torrance City Engineer Ronald W. Bishop, the project will provide trunk line storm drain to remove surface storm waters from streets in the east Torrance residential and industrial district.

When completed, the flood control project will be nearly three miles in length and will consist of four main lines. Line A will be constructed in Torrance boulevard from Western avenue to Cabrillo avenue, in Cabrillo to 220th street, in 220th to Arlington avenue, in Arlington to 222nd, and in 222nd to Plaza del Amo, Chace said.

Line B will run from the junction with Line A at Torrance and Llewellyn, in Torrance to Border avenue, in Border to Dominguez street, and in Dominguez to Crenshaw boulevard. Line C will be installed in Torrance from Border to Engracia avenue, and Line D in Carson avenue from Gramercy avenue to Line A in Cabrillo. A total of nine bids were submitted with the high bid reaching \$874,773, Chace added.

**Realtor Women's Group Will Have Barbecue**

The women's group of the Torrance-Lomita board of Realtors will hold their monthly dinner meeting by having a barbecue at the Perry L. Connett home, 1528 El Prado tomorrow night at 6:30.

The hostesses will be Eliza Travioli and Helene Ryan assisted by Mildred Patterson, Irene Baker and Georgia Marlow.

This precedes the regular board meeting held at the City Hall.

assured of a GOOD DEAL, all ways.

Drop in and try this new Dodge and Plymouth today. Any of us will be delighted to serve you.

Sincerely yours,  
WALTER G. LINCH.

**Kina's Bill On Narcotics Becomes Law**

Legislation authored by Congressman Cecil R. King to aid in cracking down on dope peddlers throughout the United States became Public Law No. 362 this week and received the praise of Harry J. Anslinger, Commissioner of the Federal Bureau of Narcotics and other law enforcement officers.

The new law provides Federal authority to subpoena witnesses and require the production of records with respect to the enforcement of the laws of the United States relating to narcotic drugs and marihuana.
